ORDER

-----  
GREGORY H. WOODS, United States District Judge:

As discussed during the October 4, 2022 initial pretrial conference, Defendants are hereby ORDERED to provide complete responses to all of Plaintiff's pending and outstanding interrogatories and requests for document production no later than October 14, 2022. The Court notes that those responses must be accompanied by the certification required by Federal Rule of Civil Procedure 26(g)(1), and that these certifications must be accurate. In addition, pursuant to the parties' consent and the case management plan to be entered by the Court, Defendants' time to issue its initial requests for production of documents pursuant to Federal Rule of Civil Procedure 34 and to serve interrogatories pursuant to Southern District of New York Local Rule 33.3(a) is hereby extended to October 14, 2022. Defendants are ORDERED to comply with these modified deadlines.

Finally, the parties are ORDERED to send a letter on the issue of FLSA conditional certification no later than October 12, 2022. The letter must either note that the parties will be able to work toward a stipulation for conditional certification—and if so, include a timeline for presentation of materials pursuant to stipulation for the Court's consideration—or, in the alternative, note that the parties intend to brief the issue of conditional certification—and if so,

include a proposed briefing schedule mutually agreed upon by the parties.

SO ORDERED.
